HOUSE WARMING
ENJOYED AT HERMISTON.

HERMISTON, Ore., Dec. 23.—Clarence Roberts and his friends on the west side of the river enjoyed a house warming in the Roberts' new home.

About two weeks ago Mr. Roberts lost his home by fire but his friends and neighbors came to his aid and in this short time have erected a very comfortable and cozy home.

Clarence Johnson returned Saturday morning from O. A. C. where he attended school this fall.

H. J. Longly left Monday evening for Boston, Mass., where he will spend the holidays with relatives.

Mr. and Mrs. J. T. Hinkle returned home on the local Saturday afternoon after a ten days' visit in Portland.

Misses Golda Mumma, Catherine Skinner, Catherine Carson and Leah Perry returned to their homes for the holidays. The four girls are going to normal in Lewiston, Idaho.

Fifteen or sixteen couples enjoyed an informal dance in the Hermiston Mercantile hall Friday evening.

Mrs. G. P. Galtier and daughter returned home Wednesday after a two months' visit with Mrs. Galtier's relatives in Montana.

The principal part of the evening's entertainment was a minstrel show with a chorus of 15. Mr. H. G. Newport and Rev. McKeeha gave brief addresses and then refreshments were served in the basement where everyone talked to one's neighbor and welcomed the new comer and stranger.

M. Dishon, Miss Bertha Dishon and Miss Lillian Wittler will be guests of Mr. and Mrs. Chas. Dishon in Walla Walla during Christmas week.

CORSET, SHAVES FOR BABY.

LORAIN, O., Dec. 24.—As the result of a movement started by a local newspaper, the first baby born in Lorain in 1914 will not have to worry about the high cost of living for some time to come.

When the publication asked for gifts a flood of donations were received, among them being: A corset, bottle of sherry wine, theater pass for life, harbor work for life, case of beer, four sacks of flour and a ton of coal.

The father of the first-born gets a suit of clothes, a box of cigars and a few other luxuries.

KENTUCKY TO USE CONVICT LABOR

WASHINGTON, Dec. 26.—(Special)—The movement for placing convicts on the roads received a fresh impetus last month, when a constitutional amendment was passed in Kentucky, permitting the use of prisoners upon the public highways. Previous to this all Kentucky prisoners were employed within the walls of the institution under the contract system, but pending the passage of the amendment, the prison commissioners refused to renew a contract soon to expire, so that convicts will be available for road work as soon as the necessary legislation can be enacted.

Plans for drafting such legislation are well under way, the chairman of the legislative council of the Kentucky Federation of Labor, Peter Campbell of Louisville, being particularly active in this direction. Mr. Campbell is also a member of the executive committee of the national committee on prison labor, which organization is working in close cooperation with him in preparing this road legislation.

The fact that convict road work is so enthusiastically supported by the labor organizations of Kentucky is of special interest. Ever since the organization of labor unions, their efforts have been directed against the unfair competition caused by placing convict-made goods on the open market, and, in consequence, the unions have been unfairly charged with being opposed to all labor on the part of the convicts. Their present activity in Kentucky is a direct refutation of this charge, and points still further to road work as a solution of the convict labor problem.

Legislation for convict road work will not be confined to Kentucky, as new states are constantly taking up the problem and considering the advisability of outdoor work for their convicts. During the past week, requests for assistance in preparing such legislation have been received by the national committee on prison labor from legislators of both Maine and Vermont. Neither of these states has convict road work at present, and interesting developments are anticipated.

CROUP AND COUGH REMEDY.
Croup is a terrible disease, it attacks children so suddenly they are very apt to choke unless given the proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlain, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup, coughs and colds." So can you. 50c and \$1. A bottle should be in every home. At all drug stores. H. E. Bucklen & Co., Phila., Pa. St. Louis.—Adv.

Empty Safe Stolen.
JAMESVILLE, N. Y., Dec. 26.—Burglars pried open the back door of the Lackawanna railroad station here and carried away the safe on a hand car. There was no money in the safe because the attack was anticipated by the station agent.
